Intramural Grant Program (IGP) Report Guidelines

Please provide the following information:

1. Please summarize the major results of the project in one or two paragraphs. Summarize your project's progress against the original aims proposed. If the originally proposed objectives were not met, please describe the problems encountered.

2. Please list project output peer-reviewed publications, books or book chapters, patents, technology or product development, creative work/art, and other major achievements). Please DO NOT list abstracts, meeting proceedings, presentations, and manuscripts under preparation or under review.

3. Have the results of this grant (including an equipment grant) led to the submission of an external proposal? Please list all grant proposals that were submitted or awarded as a result of the project including an equipment grant. Provide details (PIs, title, funding, agency, proposal period, requested amount, etc.).

Grant Title	
Are you the PI or Co-PI of the grant?	
Funding Agency	
Total $ Amount Awarded or Requested *(total budget for all years, direct + indirect funds)*	
Grant Start Date	
Grant End Date	
Proposal Status *(Awarded /Rejected/Pending)*	

Grant Title	
Are you the PI or Co-PI of the grant?	
Funding Agency	
Total $ Amount Awarded or Requested *(total budget for all years, direct + indirect funds)*	
Grant Start Date	
Grant End Date	
Proposal Status *(Awarded /Rejected/Pending)*	

Grant Title

Funding Agency	
Total $ Amount Awarded or Requested *(total budget for all years, direct + indirect funds)*	
Grant Start Date	
Grant End Date	
Proposal Status *(Awarded /Rejected/Pending)*	

If no, what prevented this project from leading to an external grant submission?

aaaaaaaaaa

4. List the graduate/undergraduate students whose work was directly (through assistantship) or indirectly (i.e., travel, research supplies) funded by your IGP award.

5. Provide information on faculty (*not including PI submitting this report*) supported by grant (budgeted dollars were spent on individual salary/stipend/travel reimbursement/etc.) or already impacted by the IGP-funded outcomes (workshop attendee, used new instrumentation or equipment, etc.).

Number of AU faculty supported by grant

Number of AU faculty impacted before grant end date

Number of non-AU faculty (other university, CC or K-12) supported by grant

Number of non-AU faculty (other university, CC or K-12) impacted before grant end date

Equipment Grant Number of AU faculty that have used new equipment or instrumentation

Equipment Grant Number of non-AU faculty that have used new equipment or instrumentation

Equipment Grant is an equipment use log maintained? ◯ Yes ◯ No

Additional Information about faculty involvement or impact:

6. How did the grant impact your professional and career development?

7. Do you have any suggestion(s) to improve the following?

- Suggested program submission improvements:

- Suggested proposal process improvements:

- Suggested proposal review improvements:

- Suggested post-award management improvement:
