FOOTBALL STUDENT TICKETING POLICY

STUDENT TICKET PURCHASING TERMS & CONDITIONS

Students must be enrolled in Auburn University for the fall term in order to purchase and use student football tickets for the corresponding fall football season. Student ticket purchase priority will be determined by previous penalty points and Auburn course credit hours.

Students with no previous course credit hours passed at Auburn will not be offered full season packages and will enter a lottery for Auburn Football ticket packages. Students must be enrolled in Auburn University for the Fall term in order to register for the lottery. Students are asked to register for the lottery at a time other than their Camp War Eagle class registration time. Students may select which ticket packages they wish to register for in the lottery. If a student is awarded a ticket package from the lottery, the sale is automatic and the student will be notified via email of the ticket package he or she was awarded. By submitting a lottery registration, the student agrees to purchase the ticket package they receive. Students are able to change and cancel their orders after the completion of the lottery until the posted deadline. No orders, changes, or cancellations are accepted after the deadline.

Students that do not plan on attending Auburn in the fall must cancel their ticket order by the posted deadline. Withdrawal from Auburn does NOT automatically cancel a student’s ticket order; therefore, it is the student’s responsibility to cancel any ticket order before the deadline. No refunds. No exceptions.

Student Ticket charges will be billed to the Bursar Bill, no later than the September statement. No refunds. No exceptions.

STUDENT TICKET TRANSFER TERMS & CONDITIONS

Student tickets must be used by the original student purchaser unless returned to Auburn University’s official Student Ticket Pool which will redistribute the ticket to another student without a ticket. or will be converted to a guest pass ticket for a student ticketholder’s guest. Students without a ticket that request a ticket will always be prioritized by the Student Ticket Pool before guest pass ticket requests.

Student ticketholders that determine they are unable to attend any individual game for any reason must return their ticket to the Student Ticket Pool by set deadlines to avoid receiving penalty points and to allow Auburn Athletics time to redistribute the unwanted tickets.

- Students that return their ticket to the Ticket Pool by 11:59pm on Sunday the week-of the game will not be penalized.
- Students that return their ticket to the Ticket Pool after 11:59pm on Sunday the week-of the game but before 5:00pm on Friday the day before the game will receive 1 penalty point.
- Students may not return their unwanted ticket to the pool after 5:00pm on Friday the day before the game, or on gameday.

Student tickets may not be sold or transferred using any method other than the Auburn University Student Ticket Pool.
STUDENT TICKET USAGE TERMS & CONDITIONS

A valid Auburn Ignited Card is required for student section entrance to all games played in Jordan-Hare Stadium. No other form of identification will be accepted. No exceptions. A valid Ignited Card must meet ALL of the following criteria:

- Have a ticket for the event
- Be a currently enrolled student at Auburn University
- Be an active Ignited Card (most recently received)
- Belong to the student using it, providing a clear, visual match of photo identification

Photo identification will be verified by Event Operations staff before an Ignited Card is swiped at the gate. Ignited Cards being used by persons other than the cardholder themselves will be denied entrance.

If an Ignited Card is deemed invalid for any reason, entrance will be denied and the Ignited Card will not be swiped. Any misuse of the Ignited Card or Auburn student tickets is prohibited.

If the student owner of a student ticket fails to enter the game properly by the start of the 2nd quarter, 2 penalty points will be issued to that student.

Students who receive 4 or more penalty points in a season will lose post-season (bowl and championship game) purchasing privileges and will be dropped below first-year students in the following season initial purchase process.

Students that believe they receive penalty points in error may file an appeal to the Student Government Association’s Football Penalty Point Appeals Committee. The committee may approve or deny the student’s appeal, either maintaining or removing the penalty points from the student’s account. Students must utilize the Student Football Ticketing Center to file an appeal. Students can access the ticketing center through aub.ie/aufstc.
