Selecting the right college

Pre-Kindergarten through College

- Create and continue to update a college information folder (starting in middle school).
- Parents should apply for a social security number for the child if he/she doesn’t have one already.
- Save money for your college education.
- Learn a foreign language.
- Be involved in extracurricular activities, volunteer projects, and sports that you enjoy.
- Develop and practice good attendance habits.
- Do your best in class, study hard, complete all assignments, and earn good grades (A’s and B’s).
