Employee Assistance Program

Available to All Benefit Eligible Employees

Up to 3 free visits per year

An EAP program is a confidential assessment, counseling and referral service for all regular employees and their eligible dependents that need help in any of the following areas:

- **Marital and Family Issues**
 - **Alcohol and Other Drug Dependency**
 - **Stress Related Issues**
 - **Financial/Legal Referrals**
 - **Emotional Problems**

The EAP counselor can help identify problems and assist in working through them. The counselor can also determine the best alternatives and, if necessary, make appropriate referrals to other professionals who specialize in particular areas.

Your EAP is:

- **Confidential** – All information is kept strictly between the individual and the counselor. No one has to know.
- **Informal** – A simple phone call starts the process.
- **Free** – All counseling offered within the EAP is provided as a benefit by your employer.
