March 6, 2008 - A Record Co-Op Interview Day!

- 173 students participated
- 103 employers attended
- 881 interviews were conducted

We are expecting an equally large crowd this Fall, so students need to register early to take advantage of this great “Co-Opportunity”!

Some of the employers expected to be recruiting during the Fall semester are ADTRAN, Alabama Power Company, Georgia-Pacific, Brasfield & Gorrie, NASA, Honda, Briggs & Stratton, ExxonMobil, Mercedes-Benz, InterCall, & US Army @ Redstone Arsenal.

Co-Op allows students to gain paid, practical work experience in their chosen field before graduating.

Attend one of the Registration Sessions listed to the left to learn more about the benefits of the program.
