For Proposal Review-only projects, Hanover provides margin comments and guidance with an eye toward compliance, quality, and grantsmanship.

WHAT’S INCLUDED:

- Identification of all areas where the proposal does not comply with funder requirements and guidelines, with explicit advice on how to comply.
- Prescriptive comments on areas of grantsmanship that can be improved, with supporting rationale.
- Review of spelling, grammar, and punctuation, highlighting recurring concerns across the draft.
- Consultative advice on research or program design, supporting data or literature, or other elements.
- Advice on obtaining feedback from a PO, peer, or grants office.
- Debrief to review recommendations, proposed changes, and PI questions.
