PROPOSAL REVISION

WHAT’S INCLUDED:

☐ Revision to address all areas where the proposal does not comply with funder requirements.

☐ Editing for spelling, grammar, and punctuation.

☐ Revision of content for style and presentation.

☐ Revision of formatting to match best practice and funder preference.

☐ Revision of the structure to improve logical presentation of material.

☐ that should be supported with a citation.

☐ Confirmation that tables and figures are numbered correctly and appropriately placed.

☐ Identification of any missing / needed content.

☐ Debrief to review recommendations, proposed changes, and PI questions.

For Proposal Revision projects, Hanover provides a full edit and revision of the proposal with an eye toward compliance, quality, and grantsmanship.
