INSTRUCTIONS FOR BSN APPLICATION
(For Transfer Students)
Transfer Student (Students who have not taken any courses at Auburn University prior to applying)

Applications will be available on our website March 1, 2016 for Spring 2017 admission.
Applications must be received by 4:45 p.m. May 2, 2016 to be considered for Spring 2017 admission.

1. APPLICATION FOR ADMISSION TO AUBURN UNIVERSITY
   - Applicants must be currently accepted to the university and have paid the confirmation deposit before requesting the Nursing application link.
   - Students who are not currently enrolled at Auburn University must first apply by contacting the office of Admissions and Recruitment at 334-844-6425, or you may apply online at //www.auburn.edu/admissions.
     - We highly recommend applying to the university as soon as possible. You will need an auburn email address to request the application link.
   - If you have been accepted, but have not yet attended AU, you must attach proof of payment of your confirmation deposit letter with this application.
   - Applications will be considered incomplete without proof of payment, transcripts, and any other items listed on your BSN checklist.

2. APPLICATION FOR ADMISSION TO SCHOOL OF NURSING BSN PROGRAM
   - Forms To Have Ready for Upload:
     - Unofficial Transcripts for each institution attended (jpeg or pdf)
     - BSN Checklist- this can be found on Auburn Nursing Application Information Website
     - Proof of Payment of Confirmation Deposit from Auburn University
   - Applications not accompanied by a checklist and complete transcript(s), or applications without an acceptance letter for students not at Auburn will not be considered.

3. TRANSCRIPTS
   - Transcripts are required from each institution where a course was taken outside of Auburn University
     - This includes Dual Enrollment courses (AP credits do not need a transcript)
   - Each transcript will need to be saved in a pdf or jpeg format (no screenshots or word documents allowed)
   - Transcripts need to have institution name, applicant name, and grades from all courses taken at institution
   - If you are having trouble uploading these documents, contact @auburn.edu

Transfer Students and Readmitted Students:
- Students from other colleges/universities must submit official transcripts to the AU Admissions Office and have a second copy of all transcripts to upload with the Nursing Application.

4. NOTIFICATION TO APPLICANTS:
   - Applicants will be notified by Auburn email of their admission status by the first week of July.
   - No one can verbally promise you a space, or acceptance into the BSN Program.
   - Unsuccessful candidates must reapply if they desire consideration for a future class.
   - PLEASE DO NOT CALL THE NURSING ADVISOR’S OFFICE for information regarding your admission status UNLESS you have not received an email from the Admissions and Progression Committee by the last day of July (for Spring 2017 entrance).

5. Interview:
   - AUSON requires an interview as part of the admission process.
   - Depending on the number of applicants we may not interview all applicants. AUSON will use the un-adjusted overall GPA (all college work attempted, including gapped grades) to determine who is chosen for an interview.
   - AUSON will interview twice as many applicants as the school plans to admit each application period.
   - All students will be notified of their eligibility and/or assigned interview time approximately 2 weeks after the application deadline.
   - Eligible applicants are required to interview IN PERSON, NO EXCEPTIONS.

6. WORK/VOLUNTEER HEALTHCARE EXPERIENCE:
   - This can be used for volunteer OR work experience in a HEALTH related atmosphere.
   - Can be verified using the volunteer/shadowing/work verification form (can be found on the nursing website), an email, or letter or you can include institutional verification as long as it includes the same information*
