# Mulungushi University – Southern Africa Mathematical Sciences Association (SAMSAM) 2025 Annual Conference

Theme: “Mathematical Sciences fueling technology, innovation, entrepreneurship, and economic growth for a sustainable future”

## Introduction

Mulungushi University's Department of Mathematics and Statistics will host the annual SAMSAM conference from November 25th to 28th, 2025, at the Avani Victoria Falls Resort in Livingstone, Zambia's tourist capital and home to the Victoria Falls, one of the Seven Wonders of the World and a UNESCO World Heritage site.

SAMSAM, in collaboration with Auburn University, USA, through the MASAMU program (<https://www.masamu.auburn.edu/>), seeks to promote research in mathematical sciences, providing numerous advantages across various fields, fostering innovation and entrepreneurship.

## Topics

Presentations at the conference will cover all fields of Mathematical Sciences, including but not limited to Algebra, Analysis, Geometry, Fluid Dynamics, Discrete Mathematics, Financial Mathematics, Mathematical Biology, Mathematics Education, Theoretical Physics, Topology, Theoretical Computer Science, Statistics, Data Science, and Mathematics for Industry.

## Call for Abstracts

Abstracts should be created in LaTeX using the template available on the conference site and emailed to [hmwanza@mu.edu.zm](mailto:hmwanza@mu.edu.zm).

## Invitation / Acceptance Letters for Visa

Once your paper is accepted and you need a visa to visit Zambia, email a copy of your passport's first page to [samsa2025@mu.ac.zm](mailto:samsa2025@mu.ac.zm) so we can assist with your visa application and send you a formal invitation letter.

## Post-Conference Proceedings

The date for submission of full papers to be published in the SAMSAM 2025 conference proceedings is 31st October 2025. The papers should be in LaTeX and the template is provided on the SAMSAM website, <http://www.samsa-math.org>.
