Outstanding Fall Co-Op Interview Day!

October 11, 2016 was a spectacular Fall Co-Op Interview Day @ Auburn!

- **247 students participated**
- **103 employers attended**
- **1028 interviews were conducted**

Spring 2017 co-op registration is coming up soon so register early with the Co-Op Program to take advantage of such amazing “Co-Opportunities!”

I learned things in my co-op job that I could not have ever learned in the classroom. I gained crucial experience to help me find what I want to do for the rest of my life.

Here is what some recent co-op graduates have to say about the program:

- I gained experience and knowledge that I would not have by just taking classes.
- It gave me hands on experience in my field and gave me a taste of what it would be like out in the working world. Not to mention how much of a resume booster it is.
- It not only helped me determine my career, it allowed me to develop the skill set I needed to be successful in my career.
- Every interview and job offer came from Co-Op experience.
