

# AUBURN SCHOOLS OF NURSING

## “Distinguished Alumni Award”

The AU and AUM Schools of Nursing are accepting nominations for the “Distinguished Alumni Awards” to be presented each year.

The “Distinguished Alumni Award” is awarded to a nursing graduate from any program (BSN, AND, EARN, MSN) who is known for clinical distinction in nursing through scholarly endeavors, promotion of health care, professional service, or who has given remarkable service to the community, state or other beneficiary organizations. The recipient has reflected favorably on the School/s of Nursing through his/her efforts to benefit society (though not necessarily through direct nursing activity).

**Please nominate that colleague or friend whose efforts have been very meaningful to the School of Nursing.**

One “Distinguished Alumni Award” will be given to a nursing graduate from AU and one “Distinguished Alumni Award” will be given to a nursing graduate from AUM.
