Subject: Update

Hello!

Hope all is going well with each of you and your families.

Just want to give a few updates and resources that you might find helpful during this time. As you know, we will not be conducting in-person site visits through the next few weeks. Although we are unable to be together in person, there is still a lot we can do via email and phone. So please please reach out to me via email if you need anything at all while navigating these next few weeks-you can always call me as well (334) 207-0036. For those who we had scheduled financial visits, I will reach out to you individually regarding how we will conduct the financial review. For those of you who we had scheduled programmatic site visits, we will work on scheduling something once the travel restrictions are lifted.

Please let me know how you are doing and how your agency is conducting contact, classes, visits, etc. during these times.

Thank you for all of your hard work.

*A great website that can be shared with your parents:
<https://preventchildabuse.org/coronavirus-resources/>

*PAL hotline is still up and running!! The number is **1-866-962-3030**

Again- please do not hesitate to reach out to me if you need me.

Thank you!!

Claire
