Training and Education

This institution requires you to complete a few simple steps in order to be compliant with its policy and federal regulations. The following steps may be completed through the Conflict of Interest management system.

- Complete this "Disclosure Profile" training when you begin employment and as required by institutional policy.
- Disclose any Significant Financial Interests within 30 days of acquiring or discovering the interest, by completing the financial disclosure form.
- Provide all necessary disclosure information annually. Annual disclosures will be in addition to any disclosures within 30 days of new interests being acquired or discovered.
- Provide any additional information requested as your Disclosure Profile is reviewed.
- If a Management Plan is required, your agreement to the plan must be documented prior to any funding related to your SFI(s) being released. If a Management Plan is in place, you are responsible for all its terms, conditions, and actions.
- You must respond to all requests for information and/or meetings regarding the institution's responsibility to monitor compliance with the plan.
- Even if you have no outside organizations or companies with which you or an immediate family member have a financial relationship you still need to complete the annual disclosure.
