

Hanover Research

Auburn University has partnered with Hanover Research for a number of grant development solutions including: Pre-proposal Support; Proposal Development; and Capacity Building. Their full-service grant development solutions are available to set goals, build strategies to achieve key grantseeking objectives, and develop grant proposals that are well-planned, researched, and written. For information regarding Hanover's core capabilities and project time lines, [click here](#).

If you are interested in seeking Hanover's assistance, please contact Tony Ventimiglia (334-844-5954 or ventiaf@auburn.edu).

Oak Ridge Associated Universities – Directed Research and Development Partnership Grants Concept Submissions

AU is soliciting and selecting concepts to be considered for this program. Proposed concepts must align with at least one of the ORAU Core capability areas and focus on improving service to an ORAU customer ([Click here to view the concept areas](#)).

We are seeking brief concepts (**limited to two paragraphs**) that align with ORAU's core capability areas ([see page one of the ODRD Guidance document](#)). Concepts will be reviewed/vetted internally to ensure that they meet this requirement. Concepts that do not align with ORAU's core capability areas will not be submitted.
