Total Credits 43; Total Clinical Hours 750	

- Students may enter the program any semester on a part time basis based on space availability. All full time students are admitted in summer semester only.
- ***NURS 7316, NURS 7436 and NURS 7546 must be taken in sequence in the following order: 1.NURS 7316 Transition to Advanced Nursing Practice 2. NURS 7436 Evidence Based Nursing Practice 3. NURS 7546 Implementation & Evaluation of Evidence Based Nursing Practice***
- Courses listed under each semester are taught during that semester only.
- All core/pre-requisite courses must be successfully completed before advancing to the semester II clinical courses. Clinical courses must then be successfully completed before taking the Primary Care Practicum (NURS 7926).
