KOVALEVSKAIA RESEARCH GRANTS FOR FEMALE MATHEMATICIANS IN SOUTHERN AFRICAN REGION

About the Award

The Kovalevskia Research Grants is an initiative of the Kovalevskia Fund (<http://kovfund.org/>) and SAMSMA, within the MASAMU Program (<https://masamu.auburn.edu>), aiming at encouraging upcoming female mathematicians from the sub-Saharan Africa. The grant is awarded to female candidates from the region who have demonstrated outstanding work with respect to research and publications in pure or applied mathematics.

Who Can Apply?

Female mathematicians from the SAMSMA region and beyond who should show commitment to staying in the region, and are in any of the following categories:

- Doctoral students
- Postdoctoral students
- Lecturers and senior lecturers (within 5 years from completion of PhD)
- Maximum age limit of 45 years by 31st December of each year of application

The Grants

Two grants, valued at **US\$2,500.00** each, shall be awarded every two years - one in pure, and another in applied mathematics, for the duration of up to two years. The award will cover a wide range of scientific activities including:

- Research visits that foster collaboration
- Tuition (bridging money)
- Conference attendance
- Books, Software and other research related equipment and supplies.

How to Apply

A complete application consists of the following: 1) a description (up to 5 pages) of the research activity that includes a timeline with specific milestones and their expected completion dates, and how the Kovalevskia Research Award will make a difference, 2) budget estimate and budget justification explaining how the grant funds will be utilized, 3) two page Curriculum Vitae, and 4) two letters of recommendation. All the documents must be sent in pdf format by email to:

SAMSMA–Kovalevskia Research Awards
E-mail: awards@samsa-math.org

Please note that the referee must email the letter of recommendation directly to the email addresses above. The recommendation letter must contain the following: 1) capacity in which the referee knows the applicant and for how long, 2) applicant's academic achievement and potential, 3) ranking of the applicant among peers, and 4) suitability for the Award.

Deadline and Presentation of Awards

The next deadline for submitting applications will be in July 2018. Presentation of the next awards will take place at the 2018 SAMSMA Conference.
