I certify that I have attended a new radiation worker orientation and have received the documents checked above or been informed where they may be obtained. I agree to read all portions of those documents applicable to any procedures which I may perform at Auburn University. I agree to comply with all applicable provisions of the Alabama Department of Public Health Rules and Auburn University radiological policies, now or hereafter in effect. I agree to use radioactive materials or radiation-producing machines only as described in the license(s) issued to the Principal Investigator under whose supervision I will be working. I understand that failure to complete or return the quiz(es) checked above could result in revocation of permission to use radioactive materials or radiation-producing machines.
